

**From the Originators
of the 360 Degree
Wrap**

**NEW CLEAN PEEL
ADHESIVE!**

**LAMINATED FOR
LONG LIFE**

*The original Cryoband® was an industry breakthrough when we developed it several years ago. Now, Label Solutions introduces **Cryoband II™** with several remarkable improvements. **Cryoband II™** features a more durable laminated stock that is abrasion resistant and has a clean peel adhesive that allows the label to be removed easily, leaving the dewar free of glue and grime. This premium product resists peeling and cracking and will last for years.*

*Don't be fooled by cheap imitations...rely on the original **Cryoband®** from Label Solutions where quality and value are standard trademarks.*
